UIC Workshops on Beneficial Electrification of Transportation

Transportation Electrification Infrastructure – Technology, Installation & Ownership
An Online Webinar Series

May 18, 2020, 1:00-2:30pm CT • June 15, 2020, 1:00-3:00pm CT

The UIC Workshops on Beneficial Electrification of Transportation is a series that will address issues surrounding electric vehicle adoption and deployment in Illinois. Relevant stakeholders are invited to participate.

https://go.uic.edu/UICEVWORKSHOP

Collaborators & Partners

Argonne National Laboratory
360 Energy Group
Discovery Partners Institute
UIC Energy Initiative
FOCUS FOR TODAY

PILOTS, PROGRAMS, PARTNERSHIPS

EV CHARGING INFRASTRUCTURE

CONSUMERS & SOCIAL EQUITY
Transportation Electrification Infrastructure

National & Industry Perspectives

May 18, 2020

Agenda
• Panel
• Moderated Q&A

Webinar Series
• Panel Session 1 – May 18
• Breakout Group Virtual Sessions
• Panel Session 2 – June 15
Moderated Q&A

- Post questions through chat
- Use Google Form to post questions

Virtual Breakout Sessions

- Breakout Groups Google Forms
- Virtual Sessions to be held in coming weeks
